

**21st International ASVÖ Tournament for
Children and Juniors 2018**
Artistic and Rhythmic Gymnastics
In remembrance of **ATTILA PINTER**
14 April 2018 in Innsbruck

INFORMATION

Dear participants of the ASVÖ Tournament,

Like last year, there is the possibility to **train** in the **competition hall** (Viktor-Franz-Hess-Straße 9, 6020 Innsbruck) on Friday afternoon (2.00-6.00 p.m.), the day before the competition.

For those participants who travel by plane or train **2-days-tickets** for the **busses** in Innsbruck are provided in the **VVT office** at the exit of the Innsbruck main railway station until **06.00 p.m.** on Friday. The contact person is *Ms Knoflach*.
In case a delegation does not manage to arrive by said time, please inform us before so we will hand you the tickets at the **accreditation**. In case you are handed **tickets** that you **do not need** (too many tickets) please **give** them **back** at the **accreditation** so others can benefit from them.

As usual, the **accreditation** takes place at the **Alphotel Innsbruck** (Bernhard-Höfel-Straße 16) between 5.00 and 8.00 p.m. Bills will be handed and further information on details is given there to every delegation individually.

No technical meeting is set on Friday evening. If aspects are unclear in regard to the competition, please do not hesitate to ask questions during the accreditation.

Lodging: Alphotel Innsbruck, Bernhard-Höfel-Straße 16 in 6020 Innsbruck &
Rumer Hof, Bundesstraße 11 in 6063 Rum (ca. 5 minutes distant)

Due to a high number of participants at the ASVÖ Tournament 2018, *not all delegations* can lodge at the **Alphotel**. That is why those participants who come by plane and train are preferably lodging in the Alphotel; those who travel by car are allocated both in the Alphotel and Rumer Hof. Lodging lists will soon be sent.

Please bear in mind that dinner is only served at the **Alphotel** for all the participants of the tournament.

Competition: Sporthalle Neue Mittelschule Hötting-West, Viktor-Franz-Hess-Str. 9

For information regarding the tournament schedule please look at the time schedule PDF. The warm-up for MAG is not regulated, but the warm-up for WAG is fixed according to a plan (PDF).

This year a **large number of WAG children** are going to participate in the tournament. Hence, the time schedule is neatly organised. It is therefore of utmost importance that participants be disciplined, swift and correct during the competition in the morning in order to enable a fluent and punctual event.

Please pay attention: there is a slight but significant difference regarding the **requirements WAG children at the UB**. The changes occurred in favour of the gymnasts. Nevertheless, we would like to apologise for the late correction of the requirements.

Moreover, we would like to remind you to send the **music** for the WAG FX routine in MP3 format to *Hanna Grosch* via e-mail hanna.grosch@hotmail.com and the music for the gymnasts via e-mail to *Monika Gremer* moni.g@live.at

Please have a look at the **team selection** among all disciplines and tell us if there have been made any mistakes.

The **bib number** must not be attached to the competition attire but only be shown to the judges at the beginning of the exercise.

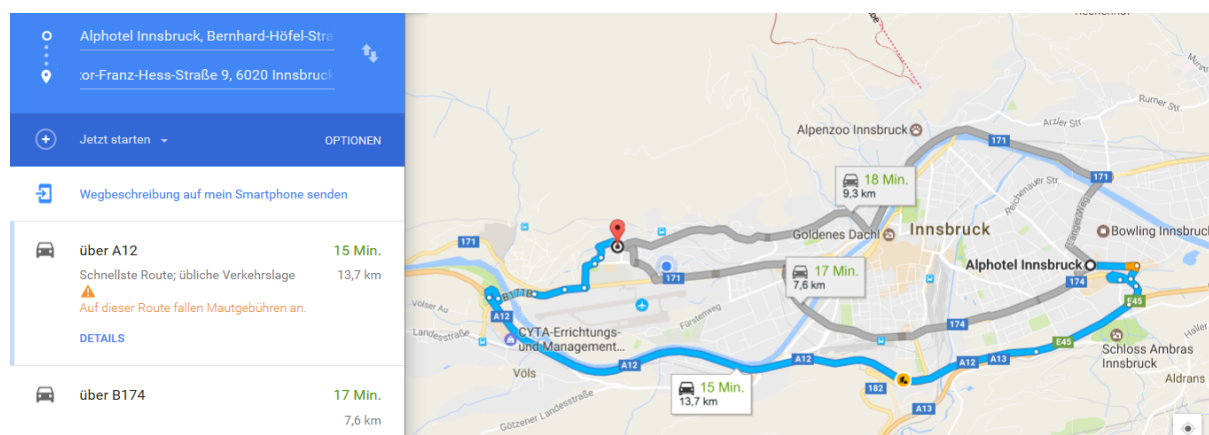

At the marching in/presentation of the gymnasts in the morning only the children have to take part in, while in the afternoon only the juniors march in. At the victory ceremony in the end all the athletes march in.

Not all of our pieces of apparatus are FIG-approved. That is why **additional mats** (10 cm) for **dismounts** are permitted on some of the apparatuses:

- WAG: VT and BB; on UB the mat may be moved only for flight elements; FX not permitted
- MAG: SR and PB; VT and HB have standardised landing mats; FX and PH not permitted
