## Competition Program

Individual competitions in the three disciplines:

- Rhythmic Gymnastics,
  - Women's Artistic Gymnastics and
  - Men's Artistic Gymnastics
- and two age groups
- Children and
  - Juniors

There are

- two divisions for Children WAG+MAG
- one division für Juniors WAG+MAG
- one division für Children RG
- one division for Juniors RG

## Scoring

1) Team scoring "ASVÖ Cup" *(no change compared to previous version)*

One team consists of max.

- 2 rhythmic gymnasts (Children or Juniors - altogether),
- 4 female artistic gymnasts (Children or Juniors - altogether) and
- 4 male artistic gymnasts (Children or Juniors - altogether).

Each gymnast gets points depending on the place of scoring; the higher the individual result, the higher the points.

The **five best** individual results per team (regardless of discipline) count for the team score as follows:

- every 1<sup>st</sup> place 25 points
- every 2<sup>nd</sup> place 20 points
- every 3<sup>rd</sup> place 15 points
- every 4<sup>th</sup> place 14 points *and so on... until finally every 17<sup>th</sup> place gets 1 point. No points for the following places.*

2) Individual scoring *(no change compared to previous version)*

As usual, individual all-around scores determine the best individualist.

3) "Hanspeter Demetz" Trophy

Lastly, the best MAG gymnast on floor earns a special price, the "Hanspeter Demetz" trophy, to honour our recently passed away Tyrolean gymnastics icon Hanspeter Demetz, as floor exercise was his standout piece of apparatus during his career as an artistic gymnast.

## Participants

### Age categories and requirements

See specific information for each discipline (further below).

### Teams:

- 1 team from each foreign town or region
- 1 team "ASVÖ"-Austria (chosen by the ASVÖ "Bundesfachwart")
- 1 teams from each Austrian federal state
- up to 2 Tyrolean teams

It is possible to enter additional individual athletes or teams. These will be placed on a waiting list. Their participation will only be confirmed if there will still be free spots left after considering the following upper limits per age categories and division (confirmation to be communicated after the entry deadline).

For organisational reasons, the total number of participants in each division is limited as follows:

- |                                      |                          |
|--------------------------------------|--------------------------|
| • MAG-Children:                      | 72 (2 divisions each 36) |
| • WAG-Children:                      | 72 (2 divisions each 36) |

| • WAG-Juniors                        | 36 (1 division)          |
| • RG Children and Juniors altogether | 40                       |

If these limits are exceeded by the registration deadline, preference will be given to those countries which have
